Statement

1SC Guarding Limited are open with our customers, colleagues and other stakeholders. We aim to show them that we operate fairly, efficiently and effectively. Expectations, legislative and regulatory requirements are constantly evolving within the manned guarding industry and we will continue to seek to influence the debate around transparency in our sector.

Signed.....

David Jones, Managing Director.

Policy Context

1SC Guarding Limited recognise the importance of ensuring that high standards of transparency and openness exist. Our Openness and Transparency Policy has been developed to demonstrate our commitment and complement the policies we already have in place.

Our website (www.1sc.co.uk) already provides a section dedicated to the company's current policies.

Objectives

The main objectives of this policy are as follows:

- Publish and update photographs of team members including executive management
- New policy information
- Annual Reports and accounts
- Any other information that is relevant to our stakeholders

Information relating to annual reports and accounts can also be found through our accountants -
